

We're Hiring

Senior Project Manager /Estimator – Waterloo

\$120,000 base salary, plus performance bonus & benefits

If you're a professional Project Manager/Estimator with exceptional people skills, an entrepreneurial spirit and 10 + years of ICI construction experience, we'd like to hear from you! S.G. Cunningham Limited is seeking a full-time, permanent addition to our team. If you'd like to chat, please send your resume to beverley@cunningham.on.ca.

Responsibilities:

- Managing Industrial, Commercial, Institutional (ICI) construction projects
- Maintaining positive Client relationships and nurturing new business development
- Estimating and overseeing the tendering process
- Developing and monitoring budgets and related documents (purchase orders, change orders, invoices, progress draws, etc.)
- Reviewing construction contracts
- Preparing construction schedules
- Communicating and building positive relationships with key stakeholders
- Tracking and approving shop drawings
- Identifying potential design and construction problems
- Ensuring as-built drawings are properly maintained
- Enforcing S.G. Cunningham safety policies
- Motivating the project team to achieve desired results
